

KARTIK SHARMA

Contactkartikforwork@gmail.com | +91-8810315664 | www.kartik-port.rf.gd | LinkedIn/kartik-sh17

SKILLS

- Programming Languages: Java, Html, Css, JavaScript, Typescript.
- Libraries/Framework: React.js, Next.js, Node.js, Express.js, Spring Boot, PrimeReact, Hibernate, Redux Toolkit, Collections, Bootstrap, Gsap, AOS.
- Tools: Docker, Render, Vercel, VsCode, Bitbucket, IntelliJ, Git, GitHub, Apache xampp, Pycharm, Email.js, Figma, Pixlr, Filmora.
- Databases: Mysql, MongoDB.

EDUCATION

- **Bachelor of Technology in Computer Science Engineering** (2022-2025)
Hi-Tech Institute of Engineering and Technology (AKTU).
- **Diploma in Electrical Engineering** (2019-2022)
New era College of Science and Technology (BTEUP).
- **High School** (2018-2019)
Dehradun Public School (CBSE).

EXPERIENCE

- **Full Stack Intern** (Mar 2025 – Present)
(Webpristine Technologies, Noida)
 - Worked as a Full Stack Developer at WebPristine Technology, developing and maintaining web applications using React.js.
 - Collaborated on end-to-end solutions, optimizing performance and ensuring seamless integration between frontend and backend systems.
 - Worked on multiple web development projects, including 'JB Military' – an Australian e-commerce website, and 'TechHut Academy' – a comprehensive platform comprising admin panel, student panel, and the main website.
- **Web Development Intern** (Nov 2024 – March 2025)
(Aryson Technologies, Noida)
 - Designed and developed user-friendly, visually appealing website pages in multiple languages, including Russian and French, to expand the company's global reach.
 - Collaborated with teams to ensure high-quality, functional websites while incorporating feedback and maintaining consistency across multilingual platforms.
 - Optimized website performance and responsiveness across devices, ensuring seamless user experience for international audiences.
- **Web Development Intern** (July 2024 – Aug 2024)
(TechnoHacks EduTech)
 - Created a portfolio web application featuring a modern, responsive design, showcasing personal and professional details effectively, and ensuring compatibility across devices.
 - Created a login page and registration form with a user-friendly interface, secure input validation, and seamless navigation to enhance the overall user experience.

PROJECTS

- **E-Campus** (Nov 2024 - Present)
[NEXT.JS](#) | [JAVA SPRING BOOT](#) | [HIBERNATE](#) | [JPA](#) | [HTML](#) | [CSS](#) | [RESTful APIs](#)
 - Developing a comprehensive College ERP system to streamline academic and administrative processes, enabling easy management of student data, courses, and faculty
 - Utilized Next.js for building a dynamic and responsive frontend, ensuring a seamless user experience across devices.
 - Implemented Java Spring Boot for the backend, with Hibernate and JPA for efficient database management and CRUD operations.
 - Engineered multiple RESTful APIs for smooth data exchange between the frontend and backend, enhancing system interoperability and performance.
- **Trek Trails** (Sep 2024- Present)
[NEXT.JS](#) | [SPRING BOOT](#) | [JAVA](#) | [GSAP](#) | [HTML](#) | [CSS](#) | [BOOTSTRAP](#) | [HIBERNATE](#)
 - Built a website for planning trip roadmaps using Next.js and Spring Boot, allowing users to create their own travel plans.
 - Used HTML, CSS, and GSAP to make the website interactive and visually engaging with animations.
 - Integrated Hibernate for efficient database management, enabling seamless storage and retrieval of user travel data.
- **Personal Portfolio** (Hosted – www.kartik.000.pe) (July 2024- Aug 2024)
[REACT.JS](#) | [HTML](#) | [CSS](#) | [BOOTSTRAP](#) | [EMAILJS](#) | [AOS](#)
 - Constructed a fully responsive personal portfolio website to showcase my skills, projects, and professional experience.
 - The website was built using React for its dynamic and modular structure, ensuring easy scalability and maintenance.
 - Integrated EmailJS for smooth contact form functionality, allowing direct communication with visitors through email.
- **Stat Edge** (Hosted- www.gca.000.pe) (Jan 2024- April 2024)
[HTML](#) | [CSS](#) | [JAVASCRIPT](#) | [PHP](#) | [MYSQL](#)
 - Stat Edge is a one-stop solution for local tournament, which help them to manage their Tournament stats in well organized way.
 - A dynamic web application which allows users to enter match stats and access them anytime.
 - Designed an aesthetically pleasing user interface with modern graphics and smooth animations, ensuring an engaging and visually appealing experience for users.

ACHIEVEMENTS

- **Completed React Development Training** from Skillshare by Ducat, gaining hands-on experience in building interactive user interfaces using React.js. [certificate](#)
- **Completed Web Development Course** from ICT Academy, covering both frontend and backend development fundamentals with practical implementation. [certificate](#)
- Successfully cleared the **React Fundamentals Test**, demonstrating a strong grasp of React principles and best practices. [certificate](#)
